Manual

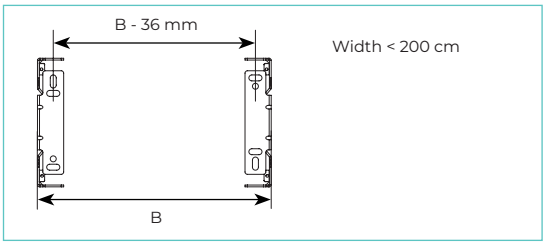

Smart Deco Ø38, Ø50

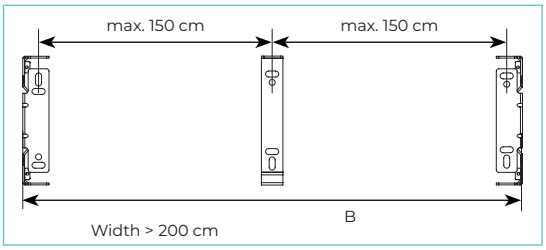

DIAZ | SUNPROTECTION

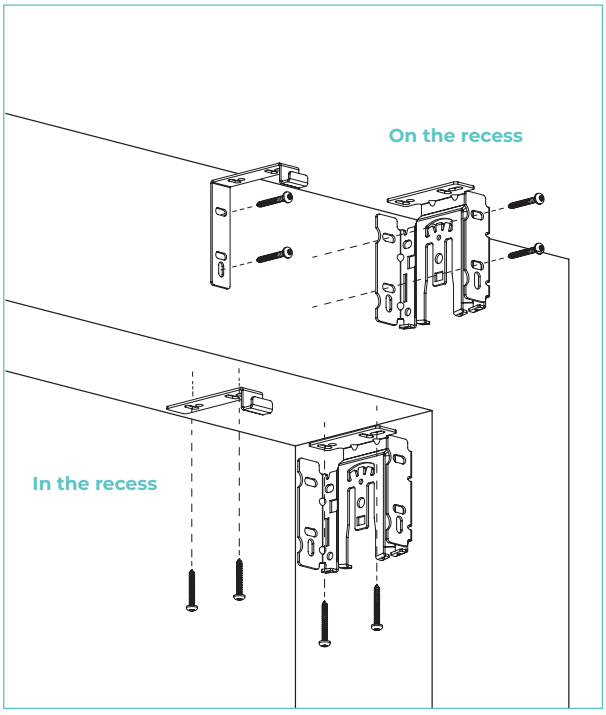

Installation of the SMART DECO-system

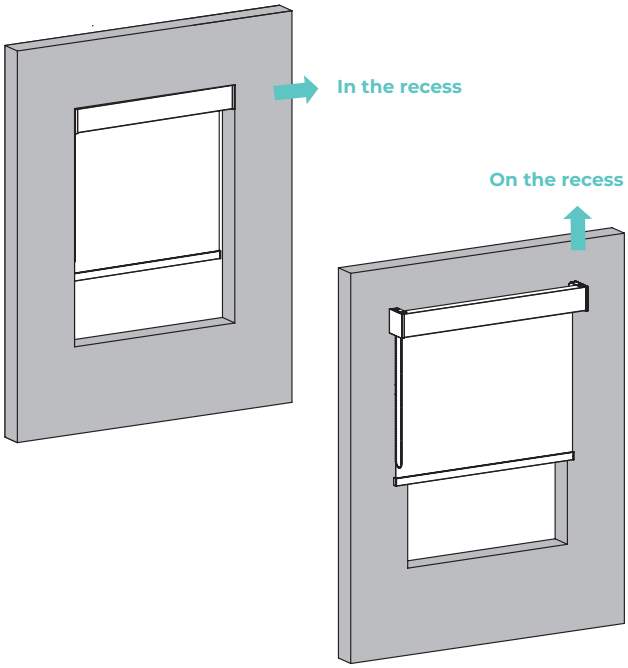

Read this manual attentively before installing and using the product. The installation can also be done by non-professionals. Indoor use only.
The position of the brackets is very important!

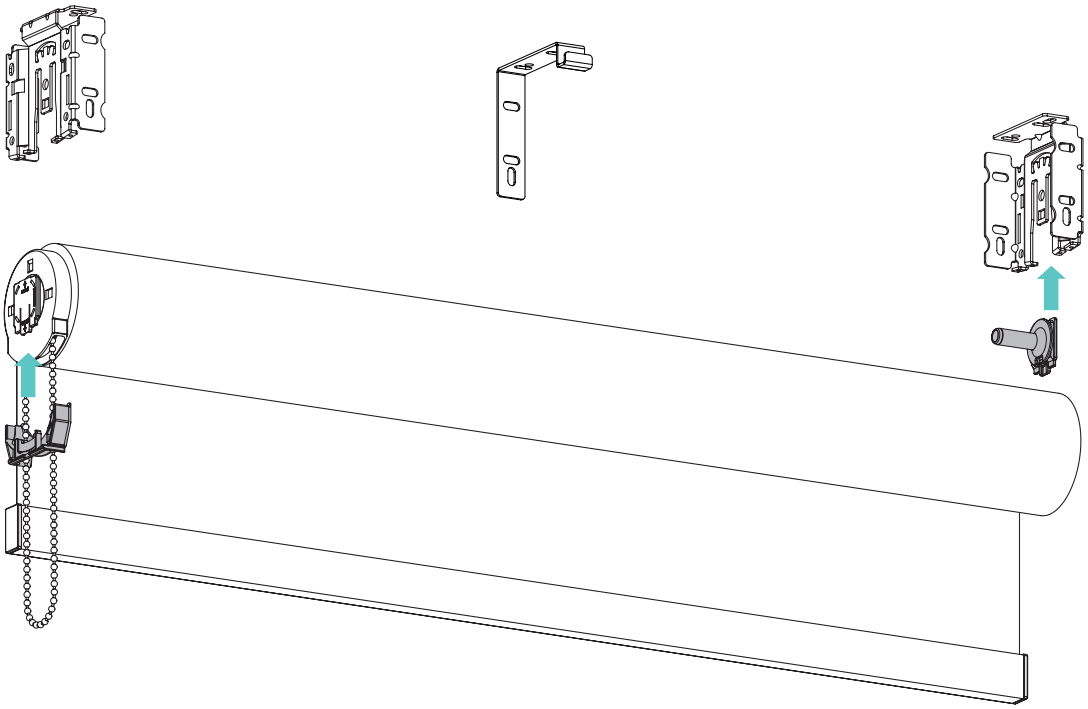

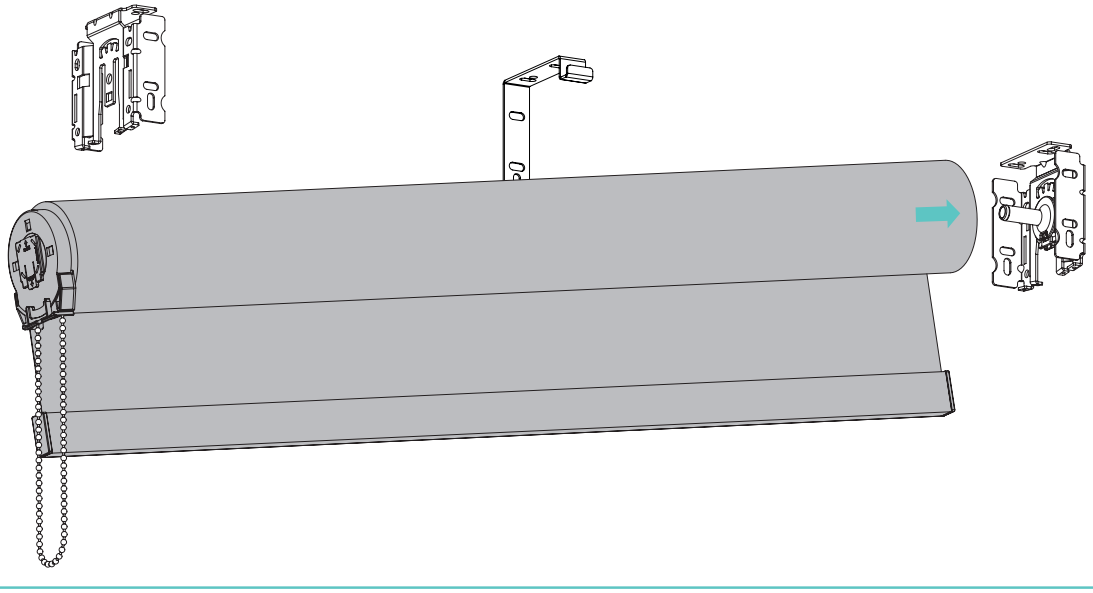

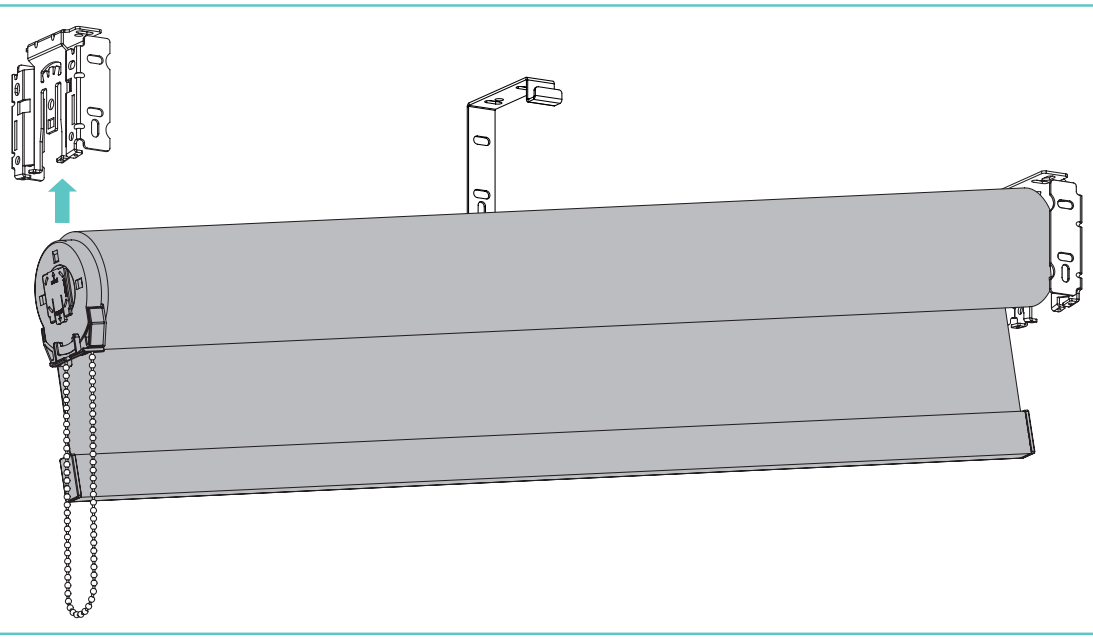

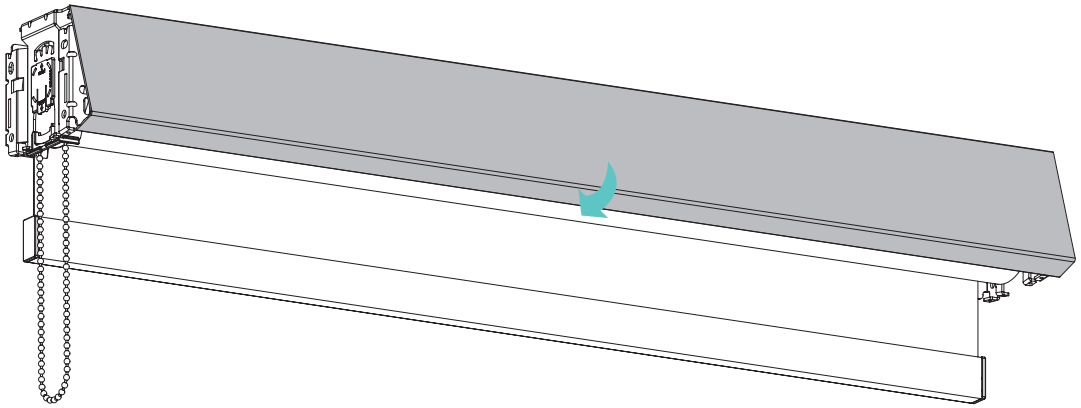

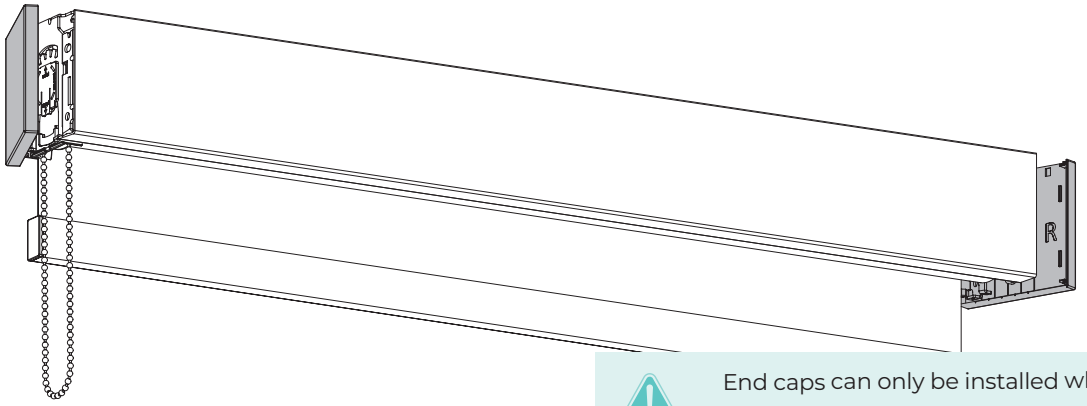

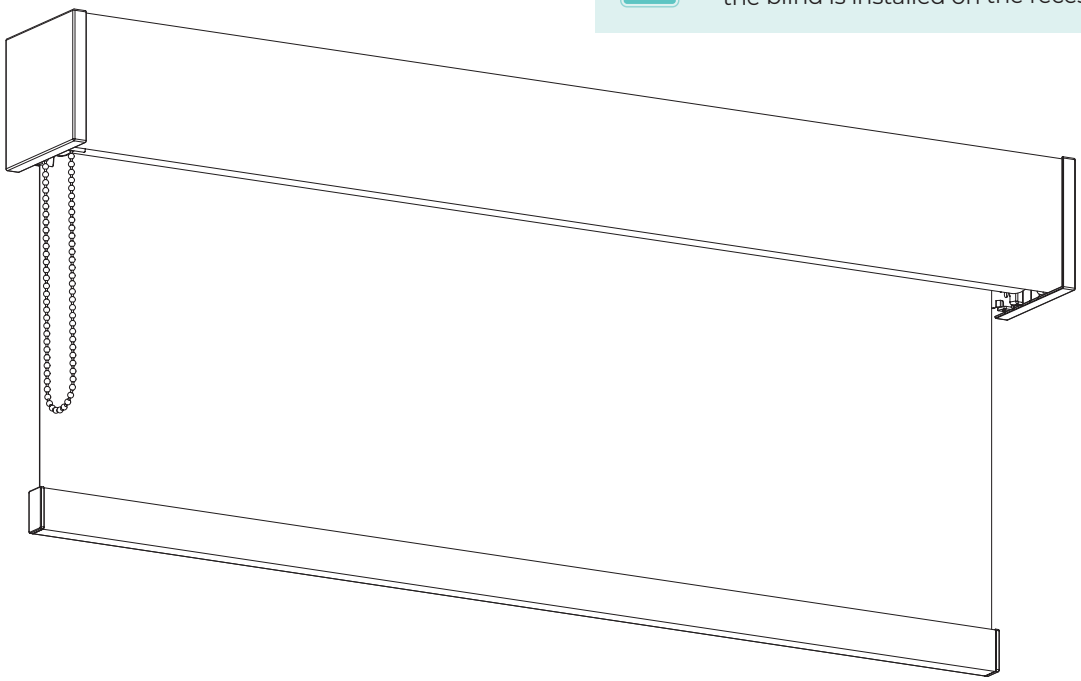

End caps can only be installed when the blind is installed on the recess.

WARNING! Installation Child Safety!

CHILD SAFE PRODUCT

- Young children can suffocate in the loop of the operation cords, chains,tapes and cords with which you operate your window decoration. They can also wrap the cords around their neck.
- Keep the cords out of reach of young children to avoide strangulation and suffocation.
- Place beds, cribs and other furniture away from the cords of the window decoration.
- Do not tie the cords together. Make sure the cords don't get strangled or make a loop.
- Install and use the delivered parts for child safety according to the installation instructions to reduce the risks of strangulation and suffocation.

All our blinds are conform to the European "Child Safety" standards (EN13120).
