# Manual

Zigbee motor

DIAZ | SUNPROTECTION

## Installation Zigbee motor

To connect your remote control to the motor follow the instructions via the TaHoma pro or Help me by Somfy app.

**1** Download the app

Via Play Store

TaHoma pro by Somfy - app

or

Via Apple Store

TaHoma pro by Somfy - app

Attention! You must keep the label with the QR code that you will find on each motor. Each QR code corresponds to a specific motor. Without the QR code, you cannot adjust the motors.

If you encounter any problems, you can get step-by-step help via the Help me by Somfy app.

**2** Download the app
