Tampa & Yuma

This collection of curtain and sheer fabrics combines refined aesthetics with high-performance functionality. The fabrics have a soft touch, create a pleasant flow of light, and retain their colour and quality over time. Thanks to their durable and easy-care properties, they are perfectly suited for everyday use. The light, semi-transparent texture creates an airy atmosphere filled with subtly filtered natural daylight.

PRODUCT LIFECYCLE MANAGEMENT

Containing up to 50% recycled solution-dyed acrylic fibres.

ZERO LANDFIL

Recycling of industrial waste such as yarn and packaging.

REACH REGULATION

Designed and applied in strict compliance with European REACH regulations.

LESS WASTE

Fabrics do not rot or fade and are highly resistant over time.

5 YEAR WARRANTY

The fabrics carry a 5-year limited warranty for indoor and outdoor applications against abrasion, pilling, loss of colour and strength in normal usage and exposure conditions.

GREENGUARD CERTIFIED

Certified by by GREENGUARD as contributing to healthy indoor air by being very low emitting interior product.

LOW WATER CONSUMPTION

Colour pigments are added to the core of the fibre, to guarantee colourfastness and save water. Also washing water is being recycled.

NON PFAS

Non-PFAS finish without losing durability, bright colours, appearance, softness and while maintaining their water repellency.

OEKO-TEX LABEL

A quality that meets human-ecological requirements. Produced without hazardous substances and without posing a threat to health, skin or environment.
